April 2014 The Girlfriend: Think fast...

"I did apologize, yes We're good" "A few months ago We met at work" "That's right, last October I guess I should have told you at Christmas, but—" "No, I'm not ashamed of her Why would—" "You think she's pretty?" "C'mon, Mum Of course I do I mean, she goes to a lot of trouble to look the way

...

An Overview of Everyday Communication

We are passionate about the study of communication because it has so many obvious uses and influences in everyday life, and we believe very strongly that you too can benefit from knowing more about how communication works We have never met anyone who did not want to understand more about his or her everyday life and, in particular,

How to write emails - English For Techies

If the news is very, very bad, here is a formal way of giving it: I am sorry to have to inform you that we are forced to terminate your employment Please do what follows: For simple, routine things, just say: Please Please send your expense (coûts) sheets to Janet in the Munich office But "please" is ...

What We Talk About - Northern Highlands Regional High ...

Laura is a legal secretary We'd met in a professional capacity Before we knew it, it was a courtship She's thirty-five, three years younger than I am In addition to being in love, we like each other and enjoy one another's company She's easy to be with "What happened?" Laura said Mel said, "He shot himself in the mouth in his room

Are You Getting in God's Way?

We are really no different from Peter because we too can be guilty of putting our own interests ahead of Christ's We may get in God's way if n We don't understand the whole story When Jesus was being arrested in the Garden of Gethsemane, Peter was still determined that the plan not unfold as Jesus said That's why he drew

5 ways to keep employees engaged and productive

when people work That's hardly surprising, given that 88% of employees work from two or more locations during a typical week — and 21% work from three or more locations⁵ Yet it's important to assess how your business technology performs when it's literally on the move Can your employees switch from laptop

THAT'S THAT: THE SEMANTICS AND PRAGMATICS OF ...

working on demonstratives, and we met several times to discuss my research She wasted no time in identifying all the weak points in an early analysis, setting the stage for the improved analysis of the dissertation, and also helped to clarify some puzzling sets of data I feel extremely

fortunate to have had the chance to visit the UMass-ix

NeedLess Program - CoachVille

get these needs met At best, we treat the symptoms or get temporary relief from them This is for two reasons: Most of us assume these needs will "always be with us" and that's "just the way we are" This is not true It does take a special technology to handle Personal Needs once-and-for-all We call that the NeedLess process
