European Journal of Sociology - Stephen Vaisey

The Righteous Mind is a synthesis, summary, and extension of the work Jonathan Haidt and his collaborators have been doing on morality and moral judgment since the early 1990s The motivating question of the book is political - why are people divided by politics and religion? But although much of the argument uses examples and illustrations

THE RIGHTEOUS MIND

The Righteous Mind is a synthesis, summary, and extension of the work Jonathan Haidt and his collaborators have been doing on morality and moral judgment since the early 1990s The motivating question of the book is political - why are people divided by politics and religion? But although much of the argument uses examples and illustrations

Part III: Morality Binds and Blinds ... - The Righteous Mind

2 So far in this book I've painted a portrait of human nature that is somewhat cynical I've argued that Glaucon was right and that we care more about looking good than about truly being good² Intuitions come first, strategic reasoning second We lie, cheat, and cut ethical corners quite

The Righteous Mind: Why Good People are Divided by ...

The list of five moral foundations was my first attempt to specify how the righteous mind was "organized in advance of experience" But Moral Foundations Theory also tries to explain how that first draft gets revised during childhood to produce the diversity of moralities that we find across cultures—and across the political spectrum 1
